

Camtasia Training Class

This Camtasia Training Class gets you productive right-away with Camtasia Studio. You'll learn how to manage recording and editing to create professional screen captured presentations. In this Camtasia training class you'll discover the proper set up for your recordings, and understand how to use Camtasia's editing tools. The Camtasia class also covers call-outs, captions, and sharing your final movie.

What you'll learn in this training course

- How to begin your screen capture within Camtasia
- Working with and importing media
- Basic video and audio editing and effects in Camtasia
- How to use advanced features such as adding quizzes and surveys
- Sharing options
